HOW TO GET A QUOTE

Thank you so much for taking the time to look through my wedding music packages.

If you like what you see and would like to discuss booking music for your big day, please send me an email through my website and we can either arrange everything through email, or we can set up a call to go over all the details. I can then send you a more accurate quote based on your individual booking requirements such as packages, location and date.

If you would like to hear an example of what one of your ceremony songs would sound like, I can record you a quick demo with absolutely no obligation to book – just ask!

Videos of my solo, duo and band performances can be found on my website / the Jupiter Ray band website and on YouTube and my socials.

HOW TO BOOK

Once we have agreed on your package options and the final price of your booking I will send you a booking agreement to sign along with an invoice for your deposit.

The deposit is 25% of the total fee and is a non-refundable deposit to secure your booking.

The remainder of the booking fee is due 60 days prior to your wedding. If you would like to break this down into instalments just let me know and I can arrange that for you.

Once all of the paperwork is out of the way we can get into the fun stuff and discuss your song choices! My acoustic repertoire is listed on my website and you are welcome to choose any songs you like from there for my main sets. The choices for your ceremony or first dance can be any song, they don't have to be in my repertoire already. The band set list can be viewed on the Jupiter Ray website.

Looking forward to hearing from you!

Laura Wyatt
